Description

All Apollo Pro Spray 1500 is supplied complete ready to go with turbine power unit, air hose and spray gun.

The Apollo Pro Spray 1500-3 is oil free and needs no regular maintenance, just a filter change from time to time.

The Pro Spray 1500 is easy to use, no special skills are needed to achieve that perfect finish.

Pro-spray 1500-3

Designed for the serious sprayer, Pro Spray 1500-3 has a powerful 1500 watt 3 stage turbine and the ability to handle all types of coatings. The all new ANB300 Proline™ aluminium gun is the ultimate in feel and performance and comes as standard with this model.
